The first sale of 2021 saw very small cattle numbers at Powranna on Tuesday as many are busy with hay/silage and getting ready for a week of store sheep sales.

Butchers paid from 346c to 348c for good quality heifers, while restockers bought steers for 330c to 340c, and leaner steers and heifers made 300c to 324c/kg liveweight.

There were only 12 cows and with only one exporter active heavy weight cows made from 230c to 246c, and medium weights 220c to 228c/kg.
