report date 15/06/2021
comparison date 08/06/2021

Following the public holiday long weekend and heavy statewide rains, there was an extremely small number of trade and export cattle, with half being cows. There were not enough in each category to get a reliable quote with the exception of the cows. Heavy beef cows met a stronger market making from 230c to 250c/kg lwt.
