

## Detailed Saleyard Report - Sheep and Lamb

Market information provided by MLA's National Livestock Reporting Service

### Northern Tasmania Saleyards

report date 11/05/2021

Yarding 2189 Lamb 874 Sheep 1315  
Change 175 Change -421 Change 596

comparison date 04/05/2021

There was a very small yarding of 874 lambs at Powranna on Tuesday following the cheaper sale of last week. There were very few heavy lambs and with so small numbers a couple of buyers were very quiet. Most prices were similar to last sale. There was a larger number of 1,315 mutton with more sheep in the wool. Apart from the extra heavy ewes most sheep were \$4 to \$10/head dearer.

Restockers bought very small lambs for \$80 to \$105, light \$118 to \$128 and light trade for \$144 to \$166/head. Processors bought light lambs for \$110 to \$114, trade \$160 to \$180 and heavy \$176 to \$190/head.

Extra heavy ewes made \$160 to \$162, heavy \$160 to \$176, medium ewes and wethers \$136 to \$165, light \$126 to \$154 and very light \$40 to \$90/head.

Market Reporter: Richard Bailey
