

Store Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Powranna		report date	10/06/2021
Yarding	698	comparison date	04/06/2021
Change	NQ		

Nutrien and Elders held their monthly store cattle sale at Powranna on Thursday with a typical winter yarding of 698 mainly weaner cattle. There were many well-bred lines of weaners and the market was fully firm to \$50/head dearer than the May sale. Competition was mainly from Northwest, Northeast and Northern Midland restockers and backgrounders plus some Victorian interest but most stayed in the state.

Heavy yearling steers made from \$2,040 to \$2,060 while heavy weaner steers over 330kg, sold from \$1,520 to \$1,780/head to average 425c/kg. Medium weaner steers weighing 280 to 330kg made from \$1,280 to \$1,480, while light weights made from \$1,060 to \$1,550/head returning an average of 540c/kg. Few very small steers made from \$1,030 to \$1,100/head. Heavy yearling heifers made from \$1,600 to \$1,850 while the medium weights made from \$1,400 to \$1,500/head, averaging 460c/kg.
